

EtaPower pots

Primus EtaPower pots fit all existing outdoor stoves on the market.

- Made of hard anodized aluminium with a multi layer titanium non stick surface on the inside
- Due to the heat exchanger on the base of the pot they reduce fuel consumption and boiling times, increasing the efficiency of your existing stove by up to 50%.
- Available in 1.7 litre, 2.1 litre and 2.9 litre.
- Each pot comes with a lid, pot grips and a net stuff sack.

Weights:

1.7 litre 220g

2.1 litre 265g

2.9 litre 310g
